BAPTIST CHURCH

Dear Friend,

It is my privilege to speak to you by way of letter about the Brinker Family. The Brinkers have answered the call of God to start "Redeeming the Time" Ministries and I believe the Lord will use them in a great way. They have been faithful stewards for many years and Bro. Brinker has been in the pastorate since 2003. They have a great love for the Lord as well as a love for people.

Pastor, I believe the Brinkers are a worthy investment of mission dollars. They will diligently work to reach people across the globe and preach the Gospel of Christ faithfully. I give the Brinker Family my highest recommendation and ask that you consider partnering with them as they endeavor to "Redeem the Time". Please contact me if you have any questions.

Because He Lives,

Richard Way, Pastor
